## **BOARDROOM CORNER**

Topics of discussion at recent board meetings:

**Approaching Contractors** – The HOA Board has requested on several occasions to please refrain from approaching Contractors. We now have 3 Contractors who are hesitant to return to Bridgetown to do any work because Co-Owners are still approaching, engaging and harassing. These are 3 Contractors who the HOA Board finds extremely competent and easy to work with. Any further engagement with these Contractors will result in higher costs to the HOA and may result in Co-Owners being responsible for a return visit.

**Curbside items** – The Board is requesting that no items be put out at the curb for any longer than 12 hours. Be schedule pickup accordingly.

**Modifications Requests** – Please submit timely, the Board meets the 3<sup>rd</sup> Tuesday of the Month (except for December). Your request should include a detailed description, to-scale drawings of your project for pre-approval. Final approval should reflect the project was completed as submitted. Any change to the pre-approval description/drawing will result in a denial from the Board and changes will have to be made to the Project.

**Garage Doors** – HOA is responsible for all garage doors. If you have an issue with your garage door, please contact a Board Member or F&D Property Management.

**Dryer Vent Cleaning** – the deadline for your Dryer Vent Cleaning is September 30<sup>th</sup>. Please be sure to submit your receipt to F&D Property Management at [info@fdpropertymanagement.com](mailto:info@fdpropertymanagement.com). If you are unable to get your vent scheduled in time, please advise F&D for an extension. If this is not completed you will be notified for a Violation.

**Main Water Value** – This shall serve as Notice to all Co-Owners in Bridgetown Condominium Community. If you are going to be out of town, away for any length of time, any time of the year, please be sure to turn off your water at the Main Water Value and drain all faucets. Also please disconnect your garden hose from the outside spigots. If you fail to do so, and you have a water main break in your Condo, you may be responsible for all repairs and/or cost that the Association may incur for the deductible associated with Bridgetown Condominium Association Insurance Policy.

**HOA Fees** – At our November Board meeting the Board will be discussing and adopting the 2026 Budget. At that time the Board will determine the HOA fee for 2026.

**NO PARKING ZONE** The Board is kindly requesting a “No Parking Zone” at the Back Gate Area. This Area is where we move the Accumulated Snow and also keeping in mind the need to, in an Emergency access the gate freely.

**WINTER PARKING ON STREETS** AMC has requested that when there is more than 2” of snow predicted that Co-Owner’s park in their driveways. Once the street has been plowed and cleaned they will return to plow and clean your driveway. Your cooperation is appreciated.

**CONTRACTORS** The Board would kindly ask that Co-Owners **DO NOT** approach or ask a Contractor to deviate from the job the Board has hired them to do. **Co-Owners may be responsible for the cost of a return visit.**

**ISSUES WITH YOUR CONDO** Please contact F&D Management (see contact information on front page) regarding any issues with your Unit. F&D will direct your concerns to the Board for review and action to be taken.

**SOLICITORS** Bridgetown Association does not endorse Solicitors. If you experience Solicitors we suggest you ask for their Permit. The Association will always attempt to communicate with Co-Owners when and if there is a need to knock on your door.

**DOGS** Please refer to the Bylaws, Article VI, Section 5 which states “No dog may be permitted to run loose at any time...and all animals shall at all times be leashed and attended”.... Also “each Co-Owner is responsible for the immediate collection and disposition of all fecal matter deposited by any animal on the Common Grounds (front and backyards)”..... The Association may also assess fines for such violations of these restrictions imposed by this Section or by any applicable rules and regulations of the Association.

Village Place residents are constantly complaining that all our recycle on these days are in their backyard. Just trying to be neighborly. THANK YOU!
