WINTER WEATHER ADVISORY

It seems Winter came early in Bridgetown. The guru recorded 12 inches. Our apologies for the lateness in the snow removal as the Snow Plow crew was as overwhelmed as all of us were. In our contract for this Winter, you can expect snow plowing/shoveling sidewalks/salting to occur if there is more than 2 inches. Snow plowing may occur late into the night and/or after it has stopped snowing. Please keep in mind that the crew also services other communities and the timing may not always be the same. We have requested that the snow NOT be piled by the pump house in the future and that the back gate not be blocked

with piles of snow. Please be patient, please, no special requests for your condo, and use the salt buckets located under the mailboxes if needed. We thank you for your cooperation.

Fall Cleanup is not forgotten. As soon as the snow has melted the lawn crew will return to take care of the gutters and the leaves. Keep your fingers crossed the weather will cooperate.

Update on the Bylaws: The Bylaws have passed the Community Vote. The Mortgage Companies have been notified. These documents should become official January 14, 2020, once confirmation is received from the Attorney's office. Then these documents will be mailed to all co-owners of record. This will be a recorded copy with the Register of Deeds. Expect this copy in early Spring as it takes some time to get recorded in Washtenaw County.

Requests have been made to update the Bridgetown Directory. It was created at the beginning of the year for an information purpose only. If you would like a copy and to be included with your name, address, email and phone number (other any combination), please let me (LuAnn) know. This is an internal Directory and will not be shared with anyone outside of Bridgetown. If you are interested and not already included, please email: luannkoch53@gmail.com – and an updated copy will be returned to you in an email.

FYI – New screen doors to any Unit should be purchased in the color: Black
New front doors and trim should be painted: Valspar Duramax Exterior base 2 latex satin – 8915-1Y45; 8930-1Y34; 8935-1Y27.5
Deck color: Olympic Elite – Olivewood (at Home Depot)

If you are going to be out of town for any length of time, please turn off your water at the main shut off. It may save you from returning to a mess of broken water pipes. If you need help locating the main shut off, please let one of the Board Members know.

For the safety of our Walkers and Dog Walkers, please if you are parking in your driveway, pull all the way up to the garage door so as not to block the sidewalk. It would be appreciated.

FYI, everyone might want to check out the City of Chelsea website (City-Chelsea.org) where you can find useful information. For example: “Energy Smart Program” you can receive up to a \$4 rebate for each LED bulb, recycle your refrigerator and receive \$50 rebate check, just to name a few. More good information can be found on this website.

The Board has asked Realtors to use a “For Sale” sign that looks like a “Yard Sign” instead of the Realtor signs that use a 4x4 post. Once the 4x4 is removed Bridgetown is left with a hole to fill in. So if you are considering selling, please ask your Realtor to use the “Yard “For Sale” Sign”. Cooperation would be appreciated.

New and Seasonal Tips

If you are considering a Satellite Dish Installation for your TV/Internet please be sure to go to the website BridgetownCondominiums.com and read the Antennae Policy and fill also it requires a Modification Request Form which can also be found on the website.

Trash day pick up is early on Tuesday Morning. Please be aware that we have Critters who love your trash, so please don't feed them until the night before pickup day.

Also Recycle day pick up is early on Wednesday Morning. **We would ask that you keep your Recycle Bin in your Garage except for the night before pickup or day of pickup.**

Holiday's that fall on Monday DOES NOT delay our Trash pickup days. ONLY Holiday's that fall on Tuesday's and Wednesday's, then both Recycle and Trash may be picked up on same day.

Please remember, dogs are not to be left unattended outside of our Units, and please pick up after them as you are walking around our Community.

Please keep all personal items off the grass area for the lawn cutting crew.

Modification Requests forms are available on our Website. **These requests are for any modifications you would like to make on the outside of your unit.** For example: windows, radon mitigation systems, handicapped railings or ramps to name a few. Please fill out the required form and mail or deliver to Scott Allen #802. The request will be placed on the Board Meeting Agenda which is the 3rd Tuesday of the month. Please submit accordingly.
